

Mumbai Chapter

and

**FOSSEE & SPOKEN TUTORIAL
IIT Bombay**

Presents

One day hands on workshop on Drupal

Date : 24th June 2017

Venue

IIT Bombay, Powai, Mumbai – 400076

Workshop Abstract

The Spoken Tutorial Project, IIT Bombay, invites you to a one day workshop on Drupal 8 (Site Building). Drupal is a free and open source content management system (CMS) written in PHP. Thousands of websites worldwide rely on Drupal including the official website of FOSSEE Project, IIT Bombay website, etc.

Drupal allows novice web authors to quickly publish their website without any knowledge of writing code or designing pages, while still giving advanced developers an extensive API to hook into the Drupal core and enhance it to any desired objective.

Who Should Attend

Important: *This workshop is specially being organised for Faculty, Students and Corporate.*

Training Procedure

- Learn Drupal through Spoken Tutorials.
- Create your own websites using Drupal.

Note: *Kindly bring your laptop with chargers and headphones/earphones for the workshop.*

Pre-workshop: Pls visit <http://spoken-tutorial.org/drupal/> and download the **Installation files** and **Drupal tutorials zip file** before you come to the workshop.

If you are confident to do so, you may do the installation of Drupal on your machine by watching the video at this link <http://spoken-tutorial.org/watch/Drupal/Installation+of+Drupal/English/>

Benefits to the participants

- Spoken Tutorial Project, IIT Bombay & CSI Joint Participation Certificate at the end of the workshop.

Topics that will be covered

- How to install Drupal
- The content workflow
- How to extend Drupal
- How to layout the site
- How to manage people
- How to manage the site
